

"STICKY FINGERS"

IPMS HORNCHURCH - NEWSLETTER

Dear Members

Last month we had another inspiring talk by Tony Woollett, now where did I put that scale plan ? Maybe a subject for one of next years competition perhaps ?

This month is a video night with tapes provided by Bob and Dave Ryan.

Next month is the 2nd competition night of the season, with the subjects being Early Jets 1945-65 for aircraft, N.B. must be a version and finished in markings appropriate to the time scale, and Armoured Personnel Carriers in the Non-aircraft category. Good luck to all those who enter.

Another 2 successful shows at Mildenhall and Chiltern were attended by several club members. Indeed at Chiltern we staged something of a coup by expanding onto the Barnet table who failed to show.

Don't forget that next month sees the IPMS Nationals take place on 30th November and 1st December at Donnington. As usual we have a stand booked. Please let me know by the next meeting if and when you will be attending, so we can arrange cover for the stand.

Christmas is fast approaching and the subject of a group meal out has been raised. I would like to propose that we hold the event just after Christmas at the Headley Arms, which is the same place as last time. To get a rough idea of numbers please let me know if you would be interested in attending.

Finally please note there is a new address list attached as Peter Bagshaw has moved.

Happy Modelling

ALAN
