

IPMS Hornchurch 2009 AGM Report

Peter Bagshaw –Club Secretary

Dear Club Member

Firstly I would like to thank all the members who attended the AGM and voted to keep me on as the Club Secretary.

Next Months Meeting

For those of you not at the AGM when the schedule for the year was put together, the March meeting will be

an **Airfix** models night.

So if you can bring along any Airfix models you've finished or a part way through.

Of course as this was our theme build for this year you've finished them all by now to put on the table at Southern Expo haven't you?

There was talk of a mini competition with a prize for the winning entry so watch this space.

The models don't need to be newly completed unlike our normal competition entries.

In a break from tradition I'll put the rest of the AGM report in the March Sticky Fingers but I've included the meeting schedule in case you can't get to the next meeting. However I would like to say that the AGM part of the evening went very smoothly as there seemed to be little to change in the way the club was running.

Hopefully I'll see you all at Southern Expo, please give some time manning our stand or helping us run the show as this is one of our best opportunities to attract new members to the club.

Regards

Peter Bagshaw
